Tell Congress: End the Shutdown, Resume FY 26 Talks!

Published on October 31, 2025

The nation faces a severe housing affordability and shortfall crisis; rents and homelessness rates have skyrocketed. A prolonged shutdown will only deepen this crisis, pushing more families closer to

experiencing homelessness and losing critical rental assistance at no fault of their own. [**Join the National Association of Housing and Redevelopment in urging Congress to take immediate action to end the current government shutdown.**](#)
